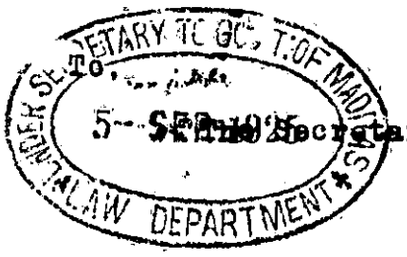
From,

Lieut-Col. J.P.Cameron, C.I.E.,I.M.S.,

Inspector-General of Prisons, Madras.



To,

The Secretary to Government,

Law (General) Department,

Fort St. George, Madras.

Sir,

Electrification of the Central Jail, Bellary.

.....

I have the honour to state that the proposal to light the Central Jail, Bellary with electricity at an approximate cost of Rs.4,000/- was approved in G.O.No. Misc.581-W dated the 2nd May 1925, communicated with Law (General) Endorsement No. 2867 C-1, dated the 13th May 1925, and that a sum of Rs.4,000/- has been provided in the P.W.D. Budget Estimate for 1925-1926. The Electrical Engineer, Madras, now forwards a revised estimate amounting to Rs.9,000/- for the work and states that the original amount of Rs.4,000/- was based on the estimate of the General Electric Company which did not include many of the items of work considered necessary, and that the revised estimate was prepared in consultation with the Superintendent of the Jail with a view to provide for the complete illumination of the Jail.

2. Only the portion of the work which is immediately necessary and which will not exceed the existing provision of Rs.4,000/- will be executed during the current year and the balance will be deferred until next year if additional funds are not sanctioned by transfer from the grants under other works this year. I forward herewith

the plan and the revised estimate for the administrative approval of Government and request that a sum of Rs.5,000/- may be provided in the Budget Estimate for 1926-1927. The Electrical Engineer has included this work in the forecast of Budget Estimate for 1926-1927.

I have the honour to be,

Sir,

Your most obedient servant,

Lieut-Col, I.M.S.,
Inspector-General of Prisons.
